LATEST RED PROPAGANDA BLAST DENIED

Munsan, Korea (AP)—Red truce negotiators today accused the Allies "of every crime in the books," including use of prisoners of war for atomic experiments.

The United Nations Command termed the charges "transparently ridiculous."

The U. N. Command communique said the Reds made "an all-inclusive propaganda attack which charged the U. N. Command, among other things, with using prisoners for experiments 'with poison gas, germ weapons and atomic bombs.'"

In a 43-minute speech, North Korean Gen. Nam Il asked:

"Can your side deny that the criminal acts of insults, tortures, forcible writings of petitions in blood, threatening, mass murder, shooting and machinegunning, making experiments with poison gas, germ weapons, atomic bombs carried out by your side x x x are all concrete facts?"

Vice Adm. C. Turner Joy, chief allied delegate, replied:

"It has been our thought that in a short time your propaganda would become so transparently ridiculous as to condemn itself. Your statement today confirms that judgment."

There was no progress on the issue of prisoner exchange—the major problem blocking a Korean armistice. The U. N. Command says it will not force any prisoners of war to return against their wishes. The Reds are equally insistent that all prisoners be returned. The Allies say only 70,000 want to go back. The Communists demand 152,000.

At Communist request the truce negotiations will meet again tomorrow in Panmunjom at 11 a. m. 9 p. m. Thursday EST.

More Cops Involved In Gotham Inquiry

New York (AP)—Four more policemen were fired today after being found guilty of accepting graft from bookmaker Harry Gross.

This brought to five the number of policemen ousted as a result of Gross' testimony that he had paid policemen on his payroll to protect his 20 million dollar a year bookmaking empire.

Those facing a decision today on charges of taking graft are Capt. George M. Oest, Capt. Eugene McGillicuddy, Sgt. Walter J. Sullivan and Patrolman John E. McNamara.

IT'S ALL OVER, GIRLS!

Chicago (AP)—Johnny Ray, who cried his way to fame and fortune with emotional renditions of two songs, says he will be married on May 25 to Miss Marilyn Morrison in New York. Ray, 25, said he and Miss Morrison, 22, daughter of a Beverly Hills Calif., night club operator, agreed on a wedding date after a long distance telephone talk yesterday.

Chief Executive Delivers Hot Blast At What He Calls 'Opponents of Trumanism'

Washington (AP)—President Truman today accused opponents of his farm and other programs of spreading "bunk and hokum" in an effort to discredit Roosevelt and Truman administration measures as Socialism.

He predicted the Democrats will win the forthcoming presidential election on a platform of what he described as "Trumanism."

He promised to make a whistlestop tour along the lines of his 13,700-mile 1948 campaign to help the Democratic presidential candidate.

Departing from a prepared speech at a Department of Agriculture ceremony on the Washington Monument grounds, Truman recalled the 356 speeches he delivered from coast-to-coast four years ago and declared:

"I'll get out and do the same thing for the candidate on this program I've been talking about."

He told the audience of several thousand that the objective of 87 per cent of the nation's press is to discredit the administration and said the "moonbathers"—whom he offered to name if anybody asked him to—insists on calling his program "Socialism."

CARS COLLIDE

State police report a two-car accident shortly after noon yesterday on the curve just west of the boro line on Route 6. Cars involved were operated by Robert E. Cadden, of Kane, and John Street, of Corry. J. C. Paul, of Astoria, L. I., a passenger in Street's car, was treated for head lacerations at Warren General Hospital, and discharged. Damage to the cars was estimated at \$250 each. Police said that the vehicles side-swiped when Cadden was driving west and Street was going east on the curve at that point.

Four Missing After Collision of Ships In Delaware Canal

Wilmington, Del.—Two ships collided halfway through the Chesapeake and Delaware Canal today, unleashing a series of explosions on the oil tanker F. L. Hayes. Four crew members are missing.

Five of the tanker's 10-man crew leaped into the 200-foot wide waterway and paddled ashore. Another was rescued from the water.

Flames visible for five miles engulfed the west-bound Hayes soon after the collision with the steamship Barbara Lykes shortly after midnight.

Army engineers at Chesapeake City, Md., said a third ship, the Angelina, was damaged slightly by the explosions although it was not involved in the collision.

Two of the Angelina's crew were reported hurt slightly. The ship was able to proceed to Philadelphia where it docked several hours later.

At daybreak a column of black smoke rolled lazily over the Delaware countryside from the still-burning tanker. The 240-foot Hayes was carrying 700,000 gallons of high-octane gasoline.

No one tried to put the fire out.

PRINTZ OFFICIAL DIES

Oil City—Ralph J. Fleishman, 67, manager of the Oil City Printz Co. store, died suddenly last night. He was stricken with a heart attack while in the Oil City Club and rushed to the hospital but was pronounced dead upon arrival. He worked his entire life for the Printz Co. and served as manager for many years for the Franklin store. Later he served as manager for stores in both Oil City and Franklin. For the past few years he has managed the Oil City store.

By The Associated Press

The Taft-Eisenhower duel for Republican presidential-nominate-ing votes tilted toward the Ohio senator today, with delegate-seating contests looming as a possibly decisive factor.

Sen. Robert Taft apparently picked up 15 more delegate votes in Tuesday's West Virginia primary. The other one apparently went to Gen. Dwight Eisenhower.

Thus the Associated Press tally of delegate strength now shows: Taft 364, Eisenhower 304. The tabulation is based on known and avowed alignments of delegates.

Nomination requires 604 votes and, in a close fight at the GOP convention in Chicago, a few votes—say 75—could mean the difference between nomination and also-ran.

All or part of delegations with 75 votes are involved in disputes over rights to be seated at the July 7 convention. Delegates favoring both Taft and Eisenhower have been chosen in Georgia, Louisiana and Mississippi. Another scrap over Texas' 38 votes comes to a head at a state convention May 27.

It has been 40 years since delegate contests figured prominently in a national convention. Rules call for this procedure: The national committee receives the dispute. Its decision can be appealed to the convention credentials committee whose report could be challenged by the convention itself.

Eisenhower's expected return from Europe, meanwhile, was timed officially by the Pentagon. The Allied Defense chief was sent forth on orders to come home in late May or early June at his convenience.

The five-star general reverts to inactive status, stationed without command in New York City. He held the same status before being recalled for his European tour, while President of Columbia University.

The May meeting of the Spring Creek Sportsmen's Club was held in the West Spring Creek Grange Hall last evening. Guests at the meeting were John Schuler, president of the County Federation of Sportsmen, and Max Geer, both of Warren; and William Overturn, R. C. Bailey, G. R. Ball, Lyle Johnson and Victor Artico, of Youngsville.

The trophy won by the county federation, which has been on display in Youngsville, was taken to the meeting and will be left in Spring Creek on display for a time.

There were 125 in attendance, including a group from Corry.

SAYS HE KILLED WIFE IN SELF PROTECTION

Pittsburgh (AP)—A 40-year-old steelworker on trial for murder in the death of his wife, Frances, 33, wept bitterly as the statement he made shortly after being arrested was read to the jury.

Harry C. Stoebe recovered from his weeping spell yesterday to tell the jury he hit his wife with a hammer in self protection. He said she was chasing him with a butcher knife when the incident occurred last Jan. 19.

The statement, read by prosecuting attorney Louis Bowtys, quoted Stoebe as saying he beat his wife with the hammer as she lay in bed sleeping.

TESTIMONIAL FOR BASEBALL PROMOTER

McKeesport (AP)—Elmer M. Dailey, who directed activities of the Class C Middle Atlantic Baseball league for 27 years until it folded after last season, will be honored at a testimonial dinner July 17.

Baseball fans from parts of Pennsylvania, Ohio and West Virginia met last night to plan the dinner and get-together for Dailey who took over the league reins in 1925 and saw lean and good baseball times.

He told a Naval Board of Inquiry he was in charge of transmitting radio messages the night of the April 28 disaster—the worst in the Navy's peacetime history—in which the Wasp knifed into the destroyer-minesweeper during maneuvers in the Atlantic.

Capt. Burnham C. McCaffree, the Wasp's skipper, said Tuesday he gave the order for the Hobson to make a 10-degree change in course, but didn't know if it had been sent.

HONG KONG FIRE

Hong Kong (AP)—Flames today extinguished a warehouse fire which fire brigade officials estimated caused \$4,600,000 damage. The warehouse was crammed with merchandise originally destined for Red China but held here by British and U. S. embargos.

ATOMIC-POWERED SUB IS PLANNED BY NAVY

Washington (AP)—The keel of this nation's first atomic-powered submarine will be laid next month. The Navy said the work on the history-making vessel will be done at the Electric Boat Division of the General Dynamics Corp. plant at Groton, Conn.

The atomic sub is to be named "Nautilus" after the fictional craft described by Jules Verne in 1869 in the novel, "Twenty Thousand Leagues Under the Sea."

LABOR SECRETARY DENOUNCED BY SENATOR FROM LOUISIANA FOR SPEECH BEFORE CIO

Washington (AP)—Sen. Ellender (D-La.) today accused the CIO steelworkers and Secretary of Labor Tobin of doing "the sort of thing that leads to anarchy." But Sen. Humphrey (D-Minn.) said Ellender was completely wrong.

Ellender denounced the steelworkers for adopting a resolution calling for a new steel strike if the industry does not grant promptly a satisfactory wage increase. The CIO union took the action yesterday at its convention in Philadelphia.

Before the resolution was approved, Tobin told the convention he "heart and soul and spirit" behind the steelworkers in their fight for more pay.

Vice President Barkley also addressed the convention, saying, "It is un-American for any group or any interests to defy or to deny or disregard the verdict of a governmental agency set up to settle these matters."

"He's absolutely wrong," said Ellender. "The Wage Stabilization Board usurped the power that was supposed to be exercised under the Taft-Hartley Act."

Agitation for Union Shop Expected To Be Approved at Day's Session of Convention

EARLY END OF OIL STOPPAGE IN PROSPECT

Washington (AP)—Government labor officials today predicted an early end to the 15-day nationwide oil strike which already is affecting the country's tourist trade and air service both here and abroad.

The Wage Stabilization Board decision yesterday to allow up to 15 cents an hour in wage increases to 90,000 striking oil workers brought prompt and favorable response from the unions involved.

The proposed ceiling boost earlier had been agreed to by part of the strike-bound industry.

B. J. Schafer, vice president of the CIO Oil Workers International Union, issued a statement in Denver saying the union's policy committee, and the co-ordinating committee for the CIO-independent-AFL unions coalition, had reluctantly approved a proposed settlement on the basis of the 15-cent-an-hour increase. It includes shift differentials of 6 and 12 cents and retroactive pay equal to the full amount allowable under WSB regulations.

The WSB refused blanket approval for the shift differentials, but said they would be considered on their merits.

SPORTSMEN'S CLUB AT SPRING CREEK MEETS

The May meeting of the Spring Creek Sportsmen's Club was held in the West Spring Creek Grange Hall last evening. Guests at the meeting were John Schuler, president of the County Federation of Sportsmen, and Max Geer, both of Warren; and William Overturn, R. C. Bailey, G. R. Ball, Lyle Johnson and Victor Artico, of Youngsville.

The trophy won by the county federation, which has been on display in Youngsville, was taken to the meeting and will be left in Spring Creek on display for a time.

There were 125 in attendance, including a group from Corry.

No Order to Change Course Messaged, Wasp Officer Says

Bayonne, N. J. (AP)—An order to change course was not messaged from the aircraft carrier Wasp to the destroyer-minesweeper Hobson just before the two ships collided, an officer aboard the Wasp said yesterday.

Lt. (JG) Page Ingraham of Chicago testified he didn't send the last-minute order given by the Wasp's commander because of a lack of time in the hectic seconds preceding the crash that sank the Hobson and resulted in the deaths of 176 men.

He told a Naval Board of Inquiry he was in charge of transmitting radio messages the night of the April 28 disaster—the worst in the Navy's peacetime history—in which the Wasp knifed into the destroyer-minesweeper during maneuvers in the Atlantic.

Capt. Burnham C. McCaffree, the Wasp's skipper, said Tuesday he gave the order for the Hobson to make a 10-degree change in course, but didn't know if it had been sent.

NEW YORK CITY IS MEETING ON FRIDAY

The mid-year meeting of the Roosevelt Highway Association of Pennsylvania will be held Friday in the Penn Wells Hotel at Wellshboro. Nat W. Drake, secretary of the Warren Chamber of Commerce, is a director of the association, and left this afternoon, accompanied by Mrs. Drake, to attend a directors' meeting which will be held tonight at the Penn Wells.

It is expected that several from this area will be in attendance at the general meeting tomorrow, which opens with a luncheon at noon.

BURGLARY IN HOME

Youngsville police are investigating a burglary at the summer home of Mrs. S. M. Pentecost in Youngsville where thieves made entry some time within the past ten days and ransacked the property. A rug and some bed linen are the only articles known to be missing at present. Mrs. Pentecost is en route from Cleveland, O., where she resides during the winter months, to make an inventory of the contents of the home. The thieves apparently used a skeleton key on the front door to make entry, it was reported by Youngsville police.

NEW CLUE ON IDENTITY OF BRINK'S ROBBERS

Howard, R. I. (AP)—Top law enforcers of two states today weighed carefully and somewhat skeptically the claims of a prisoner that he knows two of the men who participated in the \$1,219,000 Brink's robbery in Boston in January, 1950.

Alfred A. Gagnon, 41, of Pawtucket, claimed inside information during five hours of questioning at Rhode Island State Prison where he is awaiting trial for attempting to rob a Providence diamond merchant.

Electrical Workers Set June 5th Date For Demonstration

New York (AP)—CIO electrical workers have set June 5 for nationwide demonstrations against the General Electric Co. to attack GE's cost-of-living wage offer.

The General Electric Conference Board of the International Union of Electrical Workers IUE announced the demonstration action yesterday as a result of deadlocked negotiations involving some 71,000 IUE employees in 60 GE plants.

A company spokesman said he saw no likelihood of GE changing its position, despite the demonstration plan.

However, both company and union officials indicated they were prepared to resume the broken-off discussions under a contract wage reopening clause. The union's contract expires Sept. 15.

The company has offered a 1.03 per cent wage boost, based on the change in cost of living between Sept. 15 and March 15.

Measure Will Give New Bill of Rights to Vets

Washington (AP)—A new G. I. "Bill of Rights"—giving benefits of about one billion dollars a year to the nation's new military veterans—advanced a step in Congress today.

It was approved by the House Veterans' Committee late yesterday. Chairman Rankin (D-Miss.) said he would seek a House vote as soon as possible.

The measure would provide benefits to all personnel who entered the armed forces after June 27, 1950, and received other than dishonorable discharge. It carries no expiration date.

RELEASE PACT IS REPUDIATED BY U. N. CHIEF

Tokyo (AP)—Gen. Mark W. Clark today repudiated the much-criticized "Colson agreement" with Red prisoners of war on Koje Island. "It has no validity whatsoever," Clark said.

The United Nations commander said Brig. Gen. Charles Colson, temporary prison camp commander, since removed, had no authority to "accept any of the vicious and false charges" made by the Reds.

Colson signed the statement to win the release of Brig. Gen. Francis T. Dodd, former prison camp commander. North Korean prisoners held Dodd hostage 78 hours last week. Communists are now using the agreement for propaganda in truce negotiations.

The Colson agreement is under heavy fire in Washington. There the Pentagon high command awaited a detailed report from Gen. Clark.

1952 Copy of Warren High School Year Book Is Distributed to Students Today

A coppery-green doorway, with hand-wrought hinges and lock, leads the reader into the feudal castle which is Warren High School and Page '52 is the mascot who shows the way and explains all its activities in the 1952 copy of the yearbook. The Dragon, distributed to the faculty and student body this afternoon.

"Well worth waiting for" is the unanimous accolade given the issue, as readers follow the trail of medieval signposts through administration, faculty, student and organization sections, plentifully illustrated with pen and ink sketches and actual photographs, to the end of the tour and sleepy collapse of the tiny page-mascot.

The issue is dedicated, with pictures, to the popular vocal music director, Carroll A. Fowler, saying: "Music enthusiasts in the school and in the community will long appreciate the friendly character and cheerful smile with which he has characterized his achievements."

Appreciation is expressed to Student Council advisors, Jean Spencer and E. R. McLaughlin, and acknowledgement is made of help given the staff from many sources. Joyce Spencer has been editor in chief, with the following as her editorial, production and business staff:

Business manager, Robert Cowden; circulation manager, Robert Peterson; photographic editor, Dudley Danielson; literary editor, Carol Barrett, Sally Boya, Marjorie Carlson, Beverly Chapman, Charles Conaway, Eberice Crocker, Ann Darrynne, Marjorie Dutches, Elizabeth Eddy, Janice Gage, Frances Grutaria, James Henderson, Anna Israel, Rachel McGarick, Susan Nelson, June Oedmark, Diana Ottmiller, Gretchen Schumacher, Dawn Taft, Colia Tomcane, Barbara Van Biola, Ruth Whitnare, Marjorie Wilson.

Papers Received By Five New Citizens

Five new citizens were welcomed in naturalization court yesterday by Judge Allison D. Wade following their examination by a representative from the U. S. Immigration Service, Buffalo office, and their swearing in by Prothonotary Ralph E. Sires.

In addition, they were welcomed by Mrs. W. G. Cable, regent of the DAR, and Mrs. Gilbert Burkley, also representing the DAR, and presented with flags and citizenship manuals.

The five are: Mrs. Laura Lillian Bemis, Corry Rd 2, from England; Mrs. Ernestine Larkins, 304 Beech street, from Italy; Mrs. Frances Elizabeth Ritchie, Russell Rd 2, from England; Agnes Anne Capodici, Clarendon, from Italy; and Mrs. Lisa Majken Larson, Russell Rd 2, from Sweden.

Bell Co. Has List of 42,171 Unfilled Orders for Telephones, Official Says

Harrisburg (AP)—The Bell Telephone Co. of Pennsylvania says that despite vast expansion nearly one-fourth of the families in its territory are still without telephone service.

R. G. Glancy, an assistant Bell vice president, said the utility now has in hand a list of 42,171 unfilled orders for telephones.

Glancy made these disclosures at a Public Utility Commission hearing held yesterday into a proposed \$31,706,806 a year rate increase sought by Bell. The hearing session continues through Friday.

Glancy cited the scarcity of telephones to back up the company's request for the rate boost. It claims it will need 247 millions for new construction alone planned through 1954.

Bell has estimated its proposed new rates, affecting about two million subscribers, will raise most residence rates about 50 cents a month. In addition, the traditional nickel booth call would go up to 10 cents.

Bell first asked for the rate boost to go into effect last March 7. The PUC suspended it for six months to Sept. 7 pending an inquiry into its reasonableness.

List of Billion Dollar Businesses in the Country Grows With Aid From Inflation

By SAM DAWSON
New York (AP)—The list of billion dollar businesses grows slowly but steadily—with a strong assist from inflation.
At least 24 companies, industries, utilities and railroads report assets of more than one billion dollars, two having just joined the ranks.
To these you can add at least 21 banks, 13 insurance companies and one consumer finance company. Assets of a manufacturing company, of course, are not strictly comparable to the resources of a financial institution.
Assets aren't the only thing that American corporations now report in ten digit totals. At least 77 companies took in more than one billion dollars in sales or other revenues last year, eight of them newcomers to the list. Post-war inflation of prices plays a large part in these business figures.
High income and estate taxes whittle steadily at the great family fortunes of the past, making it hard to say how many, if any, individuals could be listed as billionaires.
But the reports of the large corporations show the steady growth since the war of the billion-dollar sales and billion-dollar assets group. In 1939 there were only 12 companies with billion-dollar assets, against 24 today. Only two had billion-dollar sales, against 27 today, 28 if you include

Frank B. Feldman, 37-year-old Penfield man, was arrested by Rex Fauver of Clearfield, fire inspector for the Pennsylvania Department of Forests and waters, and Clearfield State Police for setting fires which burned three and one-half acres of brush and timber in the Sabula sector. Three acres of the total damage was on state land near Nolan Road, four miles west of Penfield. This fire was allegedly set by Feldman Sunday, May 4. He was also charged with setting a second fire Wednesday, May 7, on Sullivan Hill, also near Penfield. He confessed, stating that his reason was to provide more feed for the game in the area.

As the big corporations grow, the number of one-family-owned giant companies becomes relatively fewer. Most of the largest companies now have huge lists of stockholders.
The Bell Telephone system tops the list of the non-financial giants—with assets of almost ten billion dollars. Westinghouse Electric is low man with just over one billion in assets.
There are six oil companies in the billion-dollar class: Jersey Standard, Indiana Standard, Socony-Vacuum, Texas, Gulf and California Standard, in that order.

The widow and the window washer, the bum, the banker and the bakery truck driver—each seems already to have stoutly made up his mind how he's going to vote. And, of course, so have the farmers.

Here is a sampling of comments:
A businessman—"I am for Taft and so are most businessmen. I know. Sure, we made a lot of money under the Democrats. But under Taft maybe we will get to keep some of it."
A newspaper publisher—"People are tired of the same old faces, the young people in particular. That's why Eisenhower is so popular."
A housewife—"I hope I get to vote for Gov. Warren. Anybody who can raise as nice a family as he has must be a good man."
A farmer—"We know where Taft stands. He's got more common sense than the rest of them put together."

A bar owner—"That Kefauver has more appeal than the politicians realize. But last year I made \$400 betting on the horses and this year I can't even place a bet because of him. Do you think I'm going to vote for Kefauver?"
A veteran political reporter—"Don't let anyone kid you that Truman really wants to quit. He's acting more like a candidate than he ever did."

BUDDY POPPIES

The 1952 annual sale of Buddy Poppies will be held in Warren Friday and Saturday, Commander George Jerman, of Dinsmoor-Schwung Post No. 631 reminds.

The idea of selling poppies to the American public to support a national welfare program originated in 1922 with the Veterans of Foreign Wars, Commander Jerman recalls.

Since 1924, the name "Buddy" Poppy has been registered with the United States Patent Office as the V. F. W. trademark guaranteeing that genuine "Buddy" Poppies are assembled by disabled veterans. This trademark, moreover, grants exclusive use of the name "Buddy" Poppy to the Veterans of Foreign Wars.

"After establishing the name," explained Commander Jerman, "the V. F. W. authorized its various state departments to have disabled veterans make Buddy Poppies in nearby VA hospitals and Soldiers' homes. This procedure is still followed to this day. It is operated under the strict supervision and accounting of the national headquarters.

"Funds raised from the annual sale of Buddy Poppies are used exclusively for veteran welfare programs. The variety of those programs has drawn warm praise from Americans in all walks of life."

As a result of sentiments expressed during the discussion at May meeting of borough council, it seems quite probable that an ordinance creating a Parking Authority will be ready for discussion at the June session.

HERE
and
THERE

This 'n' That: We had a couple inquiries Monday about wrestling at Coloron's Skateland and both of them were women fans. . . . And that reminds us Lord Blears, who vacated the British Empire wrestling championship to tour the United States, will meet Jackie Nichols in the feature match of Saturday night's mat show at Erie's Gannon Auditorium. . . . Many baseball fans in the area who know him personally were much interested in the announcement that Freddie Marsh, the Corry infielder, was traded by the St. Louis Browns to the Washington Senators along with Pitcher Lou Sleater in exchange for Second Baseman Cass Michaels. . . . A gypsy caravan that appeared in the section Sunday was given a state police escort to the Erie county line where they were met by Corry officers and piloted through to the Ohio line.

Monday's snowfall, according to the Republican, was something of a fooler for May but far from unusual for the Hilltop area. The Old Farmer's Almanac put it pretty well for May. It called for moist warm days from May 11 to 18. It has been moist but scarcely warm the past couple days. The Almanac divides the month into thirds for poetical reasons and the prediction is this: "Fine and clear; windy is right, go sail your kite; moist warm days, the old man says, so get out your seeds and hoes, for now the stuff really grows!" The seeds and hoe and growing business starts on the 19th in this edition of the Almanac.

The lakes off the Martin river, about 45 miles north of North Bay, Canada, are in for some good whippings during the latter part of the week from a group of Warren men including Art Johnson, Harry Christensen, Roger Hendrickson and Tommy Atwell. And that reminds us of the story they tell about Christensen and his guide. It seems that the Canadian heard the Warren man in conversation with a new-made fisherman friend in Canada, both being past excited rulers of Elk lodges. The "P.E.R." designation was used so frequently that the guide decided that the letters pertained to some high public office. Now when Christensen hears from his guide the address on the envelope always contain the letters "P.E.R."

Janitor Ralph Odell, while taking a mirror off a cupboard door where it was attached in the court house annex, formerly the Schimmelfeng homestead, found copies of the Corry Journal and New York Herald dated September 2, 1907, which were used as packing behind the glass. Among interesting items in one of the papers it was observed that the price was six cents per week. It was also noted "the price of milk was about to be raised to six cents a quart locally."

KNOW HOW TO BID
AND YOU'LL WIN

By OSWALD JACOBY

Written for NEA Service

When today's hand was played in the recent Eastern States tournament, the opening bid was one club at all tables. North almost invariably passed this opening bid, whereupon East reopened the bidding with a double.

The rest of the bidding was quite difficult for East and West.

Opening lead—♥ J			

It usually is, in this situation, because when an opening bid is passed the fourth player almost always reopens the bidding. Hence the fourth player's strength is not clearly marked, and the partnership often founders.

In this case, one pair reached four hearts with the East-West cards, and two pairs reached game in no-trump. The rest played the hand at some point score contract in hearts or in no-trump.

The bidding presented no such problem when North (unwisely, in my opinion) decided to make a shaded response. If East now decided to enter the bidding, his strength would be very clear instead of doubtful. East and West would therefore have no trouble bidding a game if that seemed their best course.

At one table, where North took liberties with his miserable cards, East collected far more than the value of game by doubling one no-trump. West was delighted to pass, and now South was firmly established in the soup.

West opened the jack of hearts, and East won with the ace. A heart return enabled West to run the rest of the suit. East discarded the deuce and three of spades on the hearts, so West shifted to diamonds.

East decided that South was not solid in the black suits, so he let dummy hold the lead with the ten of diamonds. Declarer hopefully fished the queen of spades, but West won with the king and led his remaining diamond. This gave East four diamond tricks, after which South mournfully claimed the last two tricks with his two black aces.

At this table South won only three tricks, suffering a penalty of 1100 points. And if North had only known enough to pass, the odds were about 3 to 1 that East and West would have played the hand below game.

Get new Bab-O with
sanitizing action!
Protect your family's
health. Have a brighter,
whiter, safer sink! No
increase in price—yet
you save the cost of extra
disinfecting products!

Now your sink can be
brighter-whiter...
sanitary...disinfected!

KILLS GERMES!

*In actual laboratory tests, Bab-O has been proven again and again to kill or inhibit common disease germs causing dysentery, typhoid fever, pneumonia and other diseases!

Did you know this? Even clean-looking sinks may harbor dangerous germs! Right where your home should be cleanest, tens of thousands of germs may breed in the tiny, invisible porcelain pits and scratches... tiny holes that trap leftover bits of grease and grime. These germ-laden particles form a dingy film called Sink Smog—and grey, greasy Sink Smog nourishes bacteria, helps them grow and multiply!

New sanitizing Bab-O sweeps away germ-laden Sink Smog in seconds! Good news for every family! New Bab-O—the world's sudsiest, best-cleaning cleanser—now contains 4.25% Sodium Dodecyl Benzyl Sulfonate. Not only cleans your sink but also sanitizes your sink! New Bab-O with "suds" deadens common infectious disease germs that might cause dysentery, typhoid and other diseases!

Here's How! Bab-O is the world's sudsiest cleanser... has millions more suds... power-packed suds that dig deep into porcelain pits and scratches... power-packed suds that work sanitizing "suds" way down where germ-laden Sink Smog sticks. In seconds, Bab-O blasts bacteria-infested Sink Smog loose, sweeps it down the drain!

New sanitizing Bab-O! Clean, fresh fragrance! Kind to hands!

"There are tens of thousands of germs in every kitchen sink. But new Bab-O makes your sink safely clean!"

LOCAL MAN IS GUILTY OF TIPSY DRIVING

After an hour and a half of deliberation yesterday afternoon, a jury found William E. Guthrie, 306 Pennsylvania avenue, east, guilty of a charge of drunken driving preferred by city police. The jury retired at 4:30 p. m. and returned its verdict before six o'clock. Guthrie was represented by Attorney Henry Nicholson, and the Commonwealth by District Attorney M. A. Kornreich. Guthrie's sentence was deferred until a later date and his bail continued. Today, Judge Wade will sentence Manley R. Langworthy on a charge of larceny, to which he has entered a plea of guilty. Langworthy was arrested on a charge of stealing about \$175 worth of tools from the Stec sawmill at Pittsfield on April 19. In addition, Judge Wade will hear three non-support cases. These will finish this term of criminal court.

PAINTING BY CEZANNE IS SOLD FOR \$90,000

Paris (AP)—Apples and biscuits, a still life by the noted modern painter Paul Cezanne, sold for 33 million francs (\$90,000) in the auction of the portion of the famed Gabriel Cognac collection at the Charpentier Art Gallery last night. It was one of 63 paintings which brought more than 300 million francs (\$875,000). Apples and biscuits, considered one of Cezanne's masterpieces, was painted around 1882.

If East now decided to enter the bidding, his strength would be very clear instead of doubtful. East and West would therefore have no trouble bidding a game if that seemed their best course.

At one table, where North took liberties with his miserable cards, East collected far more than the value of game by doubling one-no-trump. West was delighted to pass, and now South was firmly established in the soup.

West opened the jack of hearts, and East won with the ace. A heart return enabled West to run the rest of the suit. East discarded the deuce and three of spades on the hearts, so West shifted to diamonds.

East decided that South was not solid in the black suits, so he let dummy hold the lead with the ten of diamonds. Declarer hopefully finessed the queen of spades, but West won with the king and led his remaining diamond. This gave East four diamond tricks, after which South mournfully claimed the last two tricks with his two black aces.

At this table South won only three tricks, suffering a penalty of 1100 points. And if North had only known enough to pass, the odds were about 3 to 1 that East and West would have played the hand below game.

sanitizing action!
Protect your family's
health. Have a brighter,
whiter, safer sink! No
increase in price—yet
you save the cost of extra
disinfecting products!

Now your sink can be
brighter-whiter...
sanitary...disinfected!

KILLS*GERMS!

*In actual laboratory tests, Bab-O has been proven again
and again to kill or inhibit common disease germs causing
dysentery, typhoid fever, pneumonia and other diseases!

Did you know this? Even clean-looking
sinks may harbor dangerous germs! Right
where your home should be cleanest, tens
of thousands of germs may breed in the tiny,
invisible porcelain pits and scratches...
tiny holes that trap leftover bits of grease
and grime. These germ-laden particles form
a dingy film called Sink Smog—and grey,
greasy Sink Smog nourishes bacteria, helps
them grow and multiply!

New sanitizing Bab-O sweeps away
germ-laden Sink Smog in seconds!
Good news for every family! New Bab-O—
the world's sudsiest, best-cleaning cleanser
—now contains 4.25% Sodium Dodecyl
Benzyl Sulfonate. Not only cleans your sink
but also sanitizes your sink! New Bab-O
with "suds" deadens common infectious
disease germs that might cause dysentery,
typhoid and other diseases!

Here's How! Bab-O is
the world's sudsiest cleanser
...has millions more suds...
power-packed suds that dig
deep into porcelain pits and
scratches... power-packed
suds that work sanitizing
"suds" way down where
germ-laden Sink Smog sticks. In seconds, Bab-O blasts
bacteria-infested Sink Smog loose, sweeps it down the drain!

New sanitizing Bab-O! Clean, fresh fragrance! Kind to hands!

"There are tens of thousands
of germs in every kitchen
sink. But new Bab-O makes
your sink safely clean!"

LOCAL MAN IS GUILTY OF TIPSY DRIVING

After an hour and a half of deliberation yesterday afternoon, a jury found William E. Guthrie, 806 Pennsylvania avenue, east, guilty of a charge of drunken driving preferred by city police. The jury returned its verdict before six o'clock. Guthrie was represented by Attorney Henry Nicholson, and the Commonwealth by District Attorney M. A. Kornreich. Guthrie's sentence was deferred until a later date and his bail continued. Today, Judge Wade will sentence Manley R. Langworthy on a charge of larceny, to which he has entered a plea of guilty. Langworthy was arrested on a charge of stealing about \$175 worth of tools from the Stee sawmill at Pittsfield on April 19. In addition, Judge Wade will hear three non-support cases. These will finish this term of criminal court.

PAINTING BY CEZANNE IS SOLD FOR \$90,000

Paris (P)—Apples and biscuits, a still life by the noted modern painter Paul Cezanne, sold for 33 million francs (\$90,000) in the auction of the portion of the famed Gabriel Cognac collection at the Charpentier Art Gallery last night. It was one of 63 paintings which brought more than 300 million francs (\$875,000). Apples and biscuits, considered one of Cezanne's masterpieces, was painted around 1882.

STATE CHAIRMAN
Harrisburg (P)—Robert M. Fisher, 57, grandson of former Gov. John S. Fisher, was named today as state chairman of the Pennsylvania Citizens' Committee for Bob Taft for President.

MEETING TONIGHT
There will be a meeting of the Publications and Promotions committee of the Jaycees Fourth of July Celebration this evening at seven o'clock at the American Legion, preceding a session of the general committee.

Homemakers Enjoy Musical Program At Final Meeting

The last meeting of the North Warren Homemakers group was held in the community house to conclude a very interesting season under the leadership of Mrs. Chris Pepke, who has been untiring in her efforts to make this past year an outstanding one.

session was in the form of a musical, with Mary Konestoba, Sheffield, and James O'Donnell, Royston, in a recital of accordion and vocal selections.

Miss Konestoba has a fine accordion and her playing is that of a real artist. Seldom does one hear such beautiful tone on this instrument, which at times has the sound of a great organ.

Mr. O'Donnell has a pleasing baritone voice and, with Miss Konestoba accompanying him, their recital was one long to be remembered.

The last half of the evening was in lighter vein, when the program was turned over to Deacon Dave and His Society Seven, a new

Will Be June Bride

Mr. and Mrs. Rudolph E. Samuelson, 502 South Main street, Sheffield, announce the coming marriage of their daughter, Mary Ann Konestoba, to Reese Edward Campbell, son of Mrs. Elsie Syling, Jackson Run road. The ceremony is to take place June 4 in St. Clara's rectory at Clatenden, with the Rev. Father M. J. Macken officiating. A graduate of Mercy School of Nursing, Pittsburgh, Miss Konestoba is a member of the nursing staff at Warren State Hospital. Mr. Campbell attended Pennsylvania State College and is with the Corps of Engineers, Department of the Army.

Slate Is Installed For Coming Season At BPW Gathering

There was a large attendance for the May meeting of the Warren Business and Professional Women's Club, when members heard Frank Johnson, speech coordinator in the local schools, speak on the subject of speech correction in the various stages of child development. His talk was both interesting and instructive.

Another speaker was Gunther Thiel, native of Germany, who has been in Warren for several weeks studying our educational system. Mr. Thiel drew a most interesting picture of present-day life in Germany.

many, much appreciated and enjoyed by the group.

The dinner-meeting was held in the YWCA activities building, with Past President Edna Thompson conducting an installation service for induction of the following officers elected for 1952-53:

Elizabeth Brasington, president; Margaret Drivas, vice president; Viola Lindmark, recording secretary; Ellen Thoreson, corresponding secretary; Violet Peterson, treasurer.

Dr. John Urbaitis, president of the Warren County Unit, American Cancer Society, presented a pin to Edna Thompson in recognition of her work as county captain in 1950-51.

Ruth Rapp, campaign chairman, reported about \$4,500 received to date in the Cancer Crusade, and

urged club members to get behind the drive for the additional \$500 necessary to reach the \$5,000 goal.

Daisy Branch, chairman of the finance committee, reported a total of \$115 received from the rummage sale held last week, and thanked all those who worked and cooperated.

The following new members were voted into the club: Maybelle Walsh; Alice Nicholson and Luea Lucas.

Mention was made that Miss Brasington will leave this evening for Reading, where she will represent the local club at sessions of the state convention being held over this weekend.

The radio committee, composed of Doris Tillard, chairman, Martha Lupold, Ellen Thoreson, Margaret Drivas and Eleanor Smith,

was responsible for the very attractive table, done in a color scheme of pastel shades, with multi-color nosegays as place cards and favors.

Featured with Dave, who plays the clarinet, were Marolyn Vesting saxophone; Janet Lauffenberger, trumpet; Larry Mong, clarinet; Pete Pepke, trombone; Tim Nelson, drums, and Kay Barrett, pianist. Counts 91 Candles

John Elmer Chitester, resident of Frewsburg, N. Y., and formerly of both Sheffield and Youngsville, celebrated his 91st birthday anniversary on May 11, with a full day of greetings from old friends far and near. Mr. Chitester is the father of the Rev. E. W. Chitester, Methodist pastor at Frewsburg, and lived with his son in Sheffield from 1935 to 1939 and in Youngsville, from 1945 to 1951. He is enjoying fine health for one of his years and, always keenly interested in current events, spends much of his time reading, listening to the radio and watching television.

Girl Scout Activities

District 1 of Warren-Forest Council of Girl Scouts will hold its Juliette Low Festival at 2:00 p. m. Saturday in the Beaty Junior High School gym. The international theme for the party will be "Indians", with each girl to wear a headress of her own making and to bring ten cents for refreshments.

The Juliette Low Collection Banks, to which each troop contributes during the year, will be turned in at this time, the presentation to be made by a delegate chosen from each troop. Adults will accompany the girls and may include friends of the Scouts, as well as leaders, assistants, and troop committee members.

Fifteen members were present for the May meeting of Council board members, with Mrs. Margaret H. Lewis presiding and receiving with regret the resignations of two board members. Reports were heard from functional committee and district chairmen and there was a discussion concerning adding of another district to the Council. Mrs. Lewis asked again that county money be turned in so that a final report may be made. Since returns from outlying districts were incomplete, there was no final report on the scrap drive until a later date. District chairmen were asked to pick up fly swatters at the office, so that the girls may begin their distribution about June 1st. The session was adjourned after further discussion of various phases of the Scouting program.

Nine adult Scouters have completed a three-day training course on out of door skills held at Camp Birdall Edey. In preparation for Day and Troop camping, making it easier and more fun for both leaders and girls, the course included outdoor cooking, crafts, games, songs, trail-marking and knot-tying. In the group were Mrs. Virginia Wilson, Mrs. Grace Oviatt, Mrs. Lois Wolfe, Mrs. Catherine Anderson, Mrs. Mary Ann Sheppard, Mrs. Connie Spattfor, Mrs. Rudolph Erickson, Mrs. Conrad Swanson and Mrs. C. J. Tipton.

Legion Auxiliary's Regular Session Is Particularly Busy

One of the busiest sessions held in some time by Chief Cornplanter Unit 135, American Legion Auxiliary, took place at the Legion Home Tuesday evening. With the president, Mrs. John Dahler, Jr., in the chair, reports of the various chairmen and committees for April were presented.

The membership chairman, Mrs. A. W. Larson, read names of applicants; the Americanism chairman, Mrs. Carter Rowland, announced names of students who will receive the annual Post and Auxiliary medals, and the girl who will be sent to the Keystone Girls' Camp. She also reported on winners in the Americanism Essay Contest. Medal winners will be Mary Miller and David Fitzgerald; Beverly Sidon will be attending the Scotland camp; and essay winners were Joyce Sponsler, Diane Ottenmiller and Dawn Taft, high school, Andrea Wright, Ed Lowrey and Robert Stevens, Betty Junior High.

A donation was voted to the Jaycees to aid in the Fourth of July Celebration, also to the Allensondrone Club, or organization financing the campaign of the past department commander for the post of national commander.

Mrs. Pearl Graham, Poppy Days chairman, reported plans have been completed for the sales on May 23-24, and members wishing to volunteer for the street sales were asked to contact her as soon as possible.

A report on the Inter-county Council meeting held recently at Smethport was given and it was stated the annual election of Council officers will take place at the June meeting at Ludlow. Special guests at the Smethport session were the three women campaigning for the post of department president.

Attention was called to the next regular meeting, to be held May 27, with a tureen dinner at 6:30 o'clock.

At the close of the meeting, refreshments were served by Mrs. Lois Kintner, Mrs. Eliza Dunham, Mrs. Florine Larson, Mrs. Hazel Merenick, Mrs. Anna Juline, Mrs. Ben Kinnear, Miss Florence Hill, Mrs. Edith Johnson, Mrs. Eunice Grashner, Mrs. Clara Meeder and Mrs. Florence Knupp.

Youngsville EUB Has Mother-Daughter Event

The annual mother-daughter banquet of Youngsville Evangelical United Brethren church was held in the church dining room Tuesday evening, with 154 women and girls in attendance for the affair.

The dinner, with stuffed pork chops and all the trimmings, was prepared by the Lewis Catering Service and served by men of the church, who also washed the dishes after the meal. The ladies were most appreciative.

Recognition of mothers was made by Mrs. Wilford Meelen to the following: Oldest mother, Mrs. Ella Blakeslee, of Columbus; youngest grandmother, Mrs. Archie Littlefield; mother with most daughters and daughters-in-law present, Mrs. Lena Mourer; youngest mother, Mrs. Sherwood Fleming.

Principal speaker of the evening was Dr. Shao-Chen Yu, member of Warren State Hospital staff, who told guests about her native China.

FREWSBURG BRIDGE

Bridge players of the area are reminded there will be no weekly game at Frewsburg this Friday evening. A seven-table Mitchell game was played last week, with the following results: North-South—1st, Millie Eckwahl and Mrs. E.—J. Smedley, Jamestown; 2nd—Agnes Kornreich and Bob Larsen, East-West—1st, D. L. Vetera and J. A. Scalise; 2nd, Mr. and Mrs. D. A. Scalise.

HOSPITAL AUXILIARY

All members and interested friends are asked to be on hand for the final work meeting of Warren General Hospital Auxiliary when it convenes in the nurses' home at 1:30 p. m. Friday.

MR. AND MRS. JOHN B. DAVIDSON

Palm and white snapdragons formed a simple setting in St. Michael's church in Sheffield Saturday for the wedding of Helen L. Begeny, daughter of Mrs. Mary Begeny and the late John Begeny, Ludlow, and John B. Davidson, son of Mrs. Vera M. Davidson, San Antonio, Texas.

The double ring ceremony was performed at 11:00 a. m. by the Rev. Father Tretlak.

Escorted and given in marriage by her brother, Donald J. Begeny, the bride wore a gown of egg shell satin and nylon net and carried white roses. A double berth of net was banded in satin matching the bodice and her double-tier skirt of net formed a three foot train. Her fingertip veil fell from a band of matching satin with orange blossoms and seed pearl trim and her three strand necklace of oriental pearls was the bridegroom's gift.

Margaret Begeny, as her sister's only attendant, wore pink nylon and lace, styled with nylon cape. Her sweetheart hat and bouquet of roses matched the color of her gown.

Herman Neusch, Rogers Heights, Md., was best man; the ring bearer was Henry J. Dahl, Jr., of Warren; ushers were Henry J. Dahl, Warren and Dee Miller, DuBois.

Mrs. Begeny attended the wedding in a pale blue print, with navy and white accessories, and Mrs. Davidson wore a blue suit and navy accessories, each with a corsage of red rosebuds.

The reception followed at the bride's home for about 60 persons, including guests from Kane, Warren, Pittsburgh, Edinboro, Du-

Bois; Washington, D. C.; San Antonio, Corpus Christi, Texas. Spring flowers centered an attractive bride's buffet table.

Following a wedding trip to Toronto, Canada, the newlyweds are at home at 302 Livingston Terrace, SE, Washington, D. C. The bride attended George Washington University and the Phyllis Bell Modeling School in Washington. Mr. Davidson, received his bachelor of science in electrical engineering from University of Texas in 1944 and his LL.B. from the same college in 1950. He is presently employed as patent advisor for the Naval Research Laboratory in Washington after having served as lieutenant, junior grade, in the U. S. Navy from 1944 to 1946.

The bride-elect was honored with a recent kitchen shower and her sister entertained with the rehearsal party.

BEREAN CLASS

Berean Class members of First Baptist church will meet at 8:00 p. m. Friday at the home of Grace Balch, 24 Glade avenue, with Violet Peterson and Florence Page as assisting hostesses. A large attendance is hoped for and all are reminded to bring their special offering for the Parsonage Fund.

CAROL HORNSTROM SETS WEDDING DATE

Mr. and Mrs. Fred Hornstrom, 504 East street, announce the engagement and coming marriage of their daughter, Carol, to Ross C. Lupica, son of Mrs. Sara Lupica, Frewsburg, N. Y. The wedding will take place June 7.

Former Grand Valley Woman Given Honor

Mrs. Anna K. Lawson and Mrs. Gerda Lawrence have learned that their sister, Mrs. Guy Keller of Hastings, Mich., has again been honored for her outstanding artistic abilities.

While wintering in Florida, Mrs. Keller entered two of her floral paintings in the International Art Exhibit sponsored by Florida Southern College and, from 1,200 entries, her "Tulips" was awarded the Blue Ribbon Award of Merit. Entries represented painters from all over the world.

"Though I'm no Grandma Moses," Mrs. Keller comments, "if it will aid any other artist aspirant, I was 52 before I ever did any painting."

Mrs. Keller, along with the two local teachers, formerly lived at Grand Valley and has many friends throughout this area who will be pleased to learn of her new laurels.

FRED MATTHEWS
The funeral service for Fred Matthews, 81, of Bear Lake, who died last Saturday evening, was held Tuesday from the Schoonover Funeral Home in Sugar Grove. Mr. Matthews, a retired farmer, was born in Spring Creek Township on October 10, 1870, but had lived most of his life at Bear Lake. Surviving are a son, Charles Matthews of Bear Lake, and three grandchildren.

Rev. Victor Redfoot, pastor of this Methodist church at Sugar Grove, officiated, while the following served as bearers: Marvin Johnson, Lloyd Price, Allan Baker, Harry Wynn, Fernley Church and Samuel Jobe.

MRS. FRED BOWERS
Services in memory of Naomi Bowers, wife of Fred Bowers, Youngsville, were held at the Young Funeral Home at 2:30 p. m. Saturday, with interment in the IOOF cemetery. The Rev. C. C. Ross, pastor of the Youngsville church, officiated and a favorite hymn of Mrs. Bowers, "I'll Meet You in the Morning," was sung by Mrs. Edith Husted and Mrs. Barbara Hill. Serving as bearers were Arnold Hagberg, Harlow and Lynn Crosby, William Burlingame, Lewis Bowers and Orrin Fuller.

Friends and relatives were in attendance from Baltimore, Md.; Jamestown, Dunkirk, Buffalo, Portland, Cherry Creek, N. Y.; Emporium, Russell, Lander, Sugar Grove and Warren.

Mrs. Bowers was born December 15, 1888, and will be remembered as the daughter of Lester and Oran Graham, and granddaughter of William and Betsy Graham, who came from England and settled in this section in 1845. She had spent her entire lifetime in this vicinity and leaves many friends to mourn her passing. One daughter, Rachel, preceded her in death; also a former husband, Alden Coleman, who was a well known business man in the section.

She is survived by her husband, Fred Bowers, harness maker and apary expert; three daughters and one son, Mrs. Ethel Yagge and Chester Coleman; Youngsville; Mrs. Amie Fuller, St. Petersburg, Fla.; Mrs. Myrtle Foster, Baltimore, Md.; also five grandchildren and five great-grandchildren.

MRS. ARTHUR WILLIAMS
The funeral party accompanying the remains of Mrs. Arthur Williams, former Tidoute resident, who died in Phoenix, Ariz., May 6th, is expected to arrive in Tidoute Friday. Plans for the services will be announced later.

MRS. MYRTLE GOLDTHWAITE
Mrs. Myrtle R. Goldthwaite, 77, who died Tuesday evening after an illness of three months at the home of her son, Clarence Goldthwaite, Titusville, Star Route, was born at Shamburg on July 17, 1874, the daughter of David and Belle Southerland. She attended Shamburg and Pleasantville schools and later moved to Tidoute.

She was married to Lewis Goldthwaite at Jamestown, N. Y., on Oct. 23, 1901, and resided in the Tidoute and Titusville areas since that time.

Besides her son, Clarence, she is survived by one granddaughter, Patricia Ann.

Friends may call at any time at the Arnold funeral home where funeral services will be conducted at 2 p. m. Friday with Rev. Ralph Findley of the First Methodist Church officiating. Burial will be in Fairview cemetery in Pleasantville.

Mothers and Daughters Enjoy Annual Banquet

The annual banquet for mothers and daughters, sponsored by the Philathea Class of the Methodist church, was held in the church parlors Tuesday evening, with 70 present.

The tables were artistically decorated in pink and white, with corsages for each one, a white or pink carnation. These were made by Elizabeth Ann Borden.

The invocation was given by the Rev. Grant Mottern, after which the president of the class, Isabelle Heeter, gave an address of welcome to the mothers, daughters and guests.

Mrs. Maud Chamberlain gave the response, followed by a bountiful chicken dinner and a program as follows:

Cornet solo—"A Song Without Words," by James Vile.

Vocal solo—"Carnations," by Elizabeth Ann Borden.

Piano solo—Concerto No. 1, by Martha Smith.

Vocal duet—"Make Believe," by Mrs. Sally Campbell and James Hedman. Lorea Wright accompanied at the piano.

"Smiles and Tears" was the topic chosen by Mrs. C. E. Taylor for her address to the mothers and daughters.

Mrs. Doris Danielson was chairman of the kitchen committee and was assisted by Sally O'Leary, Madeline Slater, Jean Saxton and Betty Stover from the Senior Girl Scout group.

Mrs. Loren Wright was chairman of the program committee.

Card Party Is Held By Parent-Teacher Group

The Parent Teachers of the Lincoln school held a card party at the American Legion Home Tuesday evening, with about 16 tables, with 500, bridge and canasta being played, with the following as winners:

For "500" for men, Morris Mills, high, Louis Slater, low.

For women, Mrs. Agnes Whyte, high, Mrs. Gladys Young, low.

For canasta, for men, Thomas Kraft, high, Robert Perache, low.

For women, Mrs. Leo Zandi, high, Nathalie Christenson, low.

For bridge, for men, L. O. Eiserhauer, high, Percy Finerty, low.

For women, Mrs. Marie Boardman, high, Mrs. William Rawson, low.

Mrs. David Ritchie was in charge of the ticket sales, Mrs. Richard Bloss, and Mrs. Robert Goldthwaite in charge of tables and cards. Mrs. Kenneth Boardman and Mrs. Dorothy Doyle were in charge of prizes.

Mrs. Mike Zastawney, Mrs. Clarence Johnson, and Mrs. W. J. White were in charge of refreshments.

A Chinese auction sale of two cakes was held with the successful bidders being Mabel Nelson and Nathalie Christenson.

VISIT RADIO STATION

Mr. and Mrs. Bruce Smith and Mr. and Mrs. Robert Jones were guests at Radio Station WHDL at Ocean, N. Y., Tuesday evening, where they witnessed a program which originated in the studio, and broadcast over a nation-wide hookup over the ABC network. The principal part of the program was a debate between Senator Brewster of Maine, a Republican, and Senator Kerr of Oklahoma, a Democrat, who were there in person. Their discussion was on the subject of who would give the nation the best in our foreign policy—the Republicans or the Democrats.

PERSONALS

Mrs. Earl Wright of Warren was the guest at the home of Mr. and Mrs. Loren Wright Tuesday evening.

German Instructor Gives Interesting Talk to Kiwanians

Kiwanis Club members in attendance at the weekly luncheon meeting at the YWCA Wednesday noon had an opportunity to hear an intensely interesting talk delivered by Gunther Thiel, German teacher in Warren on a tour to study the local school programs. Mr. Thiel discussed life in Germany in general, and especially school projects there as compared to this country.

During a question and answer period following his address he answered many questions pertaining to present-day life in West Germany, with a graphic description of what may be going on in East Germany under Russian rule at present.

President Clifford Betts, in charge of the meeting, reported on his visit with three other local members to Bellevue club last Wednesday when International President Claude Hellman was honored. Others in the Warren delegation were Dick Wetzel (Personal Finance), Ralph Stres, prothonotary, and Charles Henderson (Murphy store). Mr. Betts reported that he made arrangements

during the visit for a number of high officials of Kiwanians to attend the 30th anniversary dinner of the Warren Club planned in September.

The Rev. Mr. Robert Steen, First Presbyterian church, was in charge of a ceremony introducing and welcoming new members to the club. He was assisted by Dr. R. L. Young and Ed A. Johnson, charter members who presented lapel buttons to Robert Mahan and Plummer Collins.

Bob Garrison, (insurance), and Dr. Wally Sedwick, (dentist), were in charge of presentation of birthday remembrances to Charles Babcock, (insurance), and J. Russell Hanson, (Everts Hardware). Babcock was presented a reinforced shoe to be used in preventing prospective insurance clients from slamming doors in his face, and Hanson's gift, brought that portion of the program to an interesting, if not surprising conclusion.

Two guests were introduced, and no action was taken on a proposal from a member to have the president "impeached" after it was charged that the officer was heard to refer to certain members of the club as "old fogies," while being interviewed during a press conference in a local eating place.

A queen bee sometimes lays as much as her own weight in eggs during a single day.

★ RUTH MILLETT ★

Take Pride in Yourself, Then Others Will Be Proud of You

If you want your husband to be proud to introduce you as his wife don't make any of these mistakes:

Cutting into your own clothes budget, so that you can spend more on the children's clothes or more on the house. That kind of self-sacrifice too often results in a woman's staying at home because she hasn't the right clothes to go out. It doesn't make either her children or her husband feel prouder of her.

Being slipshod about your grooming. The week you decide not to bother with a shampoo will likely turn out to be one of those weeks when you wish, for one reason or another, that you had been looking your best.

Giving the people your husband introduces to you a cold and calculating once-over. The woman who does that stirs up antagonism and never fits in easily with new acquaintances.

DON'T BE A BOSS TO YOUR HUSBAND

ACTING bossy. Even if you know you are going to be late to an appointment don't try to drag your husband away when he stops to introduce you to his friends and starts a conversation you know he hasn't time for. No man is proud of a bossy wife.

Being a wet blanket. Be positive, not negative in your attitude when you are talking with newly-made acquaintances.

Kidding yourself that you haven't time to read the newspapers and keep up with what is going on in the world and your own community. No man wants his wife to appear to be a dumb bunny when he introduces her to people who want to talk about something besides children and household matters.

Low-rating your husband. If you want your husband to take pride in saying, "This is my wife," treat him in such a way that it is quite evident you take pride in being his wife.

WBEN Changes In Buffalo Promises Better TV in Area

We are indebted to Ray Hartung, manager of Sylvania Electric Products, Inc., for making available to us the following important information pertaining to proposed changes planned by the Television Division of WBEN station, in Buffalo, which are expected to provide better reception for set owners in this area:

The new location for WBEN-TV transmitter and antenna will be at Colden, N. Y., on Center Road, 20 miles nearer to Bradford and 7 miles south from East Aurora. The antenna will have an effective height above sea level of 2500'. The elevation will be 1646' above sea level and the antenna height, 1057', (tower). Effective rated power will be 50 kw. for the present time, until the freeze is over, and coverage of 77 miles radius for 500 mv.

Present location at Hotel Statler, effective height, 935' with effective power 16.2 kw. with coverage of 38 to 42 miles radius for 500 mv. contour line.

The power of the new station will be increased 4 times, or 2 to 1 increase in field strength. Antenna height will be 3 times greater than at the present time, so that there will be better than 5 times signal strength compared to the present reception.

Buffalo VHF frequencies will be Channels 4 and 7, UHF frequencies will be 23 and 27, the latter to be assigned for educational purposes.

The transmitter building is completed on Center Road in Colden, N. Y. The footings and piers are completed for the antenna tower. It is expected that the towers will be completed in July and the new location will be ready for operation some time in August. The auxiliary power supply, telephone lines, etc., are completed.

Programs from the Hotel Statler Studio will be relayed to the transmitter site by micro-wave units on top of the Hotel. They will not use coaxial cable.

IMPORTANT NOTICE

TO ALL GAS COMPANY CUSTOMERS

Many of our customers who are not using gas for space heating are anxiously awaiting the day when they may do so. Therefore, we want all our customers to know the status of heating restrictions of our Company.

Recently we notified the Pennsylvania

Public Utility Commission that we intend to modify our restrictions on space heating. Our own rules and regulations have been in effect on space heating since March 1, 1947 and are on file with the Commission. A copy of these rules is on file in the Gas Company Office.

Under these regulations customers desiring gas heat must file an application.

Furthermore, before connecting heating equipment to our lines this application must be approved in writing by the company. If space heating equipment has been installed without written approval by the gas company, the company must discontinue all service to such customer upon ten days written notice until non-approved heating equipment has been disconnected.

Our gas supply situation has improved to such an extent that under these rules and regulations we are now in a position to issue a limited number of proven medical hardship and new construction approvals in the order in which they are filed.

We appreciate your patience in waiting

and assure you that we are doing everything in our power to obtain additional supplies of gas so that even more permits can be issued. When additional supplies are made available, applications covering conversions from some other fuel to gas will be considered for approval in the order in which they are filed.

REMEMBER: YOU MUST HAVE AN APPLICATION APPROVED IN WRITING BEFORE MAKING A SPACE HEATING INSTALLATION.

International Politics Give a Fantastic Twist to U. S. Disagreement on Prices Of Materials From Chile and Bolivia

By SAM DAWSON
New York (AP)—Uncle Sam is having a little misunderstanding again with some of his good neighbors over prices.
Chile wants more for her copper, which we need, than the 27½ cents a pound we have been paying her. So she isn't letting us have any at all just now.
Bolivia wants more for her tin than the \$1.21½ a pound price Uncle Sam sets on metal he can buy in Malaya, where it is plentiful.
Rubber prices in Singapore have dropped sharply again. British planters blame Uncle Sam because he cut the price of synthetic rubber he produces. American rubber consumers show slight interest in buying Malaya's natural product, now in surplus supply, at any but bargain prices.
If the United States wanted to be rough, it probably could get

Sealed bids will be received by the Board of School Directors of the School District of Conewango Township until 8 P. M., D.S.T. June 9, 1952, when said bids will be opened at a Directors' Meeting in the North Warren School, for the painting of the North Warren School Building, as follows:
Bid No. 1. Outside only. To paint all outside wood surfaces and trim, also fire-escapes; to clean and putty where necessary, all wood surfaces, and paint with two coats lead and oil. Fire-escapes to be wire-brushed; first coat red lead, second coat iron paint. All materials to be best quality of nationally known brands and manufacturers.
Bid No. 2. Inside only. Painting first and second floors and stairway. All holes, cracks, etc., to be filled and treated before painting. Ceilings: First coat sealer and primer; second coat washable flat-white oil paint. Walls: From floor to five-foot level, two coats washable semi-gloss oil paint; upper portion, two coats washable flat oil paint. All inside wood-work, except floors and doors, to be washed, sanded, and painted one coat interior varnish. All materials to be best quality of nationally known brands and manufacturers.
Bids to be made on either interior work, or exterior work, or both. All work to be completed by August 16, 1952. The right is reserved to reject any and all bids. Send bids to Keith E. Chase, Secretary, 8A Maple Place, North Warren, Pa.

domestic copper. Chile sold the rest in Europe, getting as high as 54 cents a pound on the free market.
But demand for copper is easing rapidly in Europe and the price has dropped to 35 cents—which some think is the price Chile would like us to contract to pay over a long period for her output. If we did, it would have strong pulling power upward on the price of our own copper here.
Copper producers here aren't as anxious to see the price of copper go up as you might expect. That would encourage the thing they fear most—the search for cheaper substitutes. And so they haven't been fighting to get the 24½ cent ceiling raised, and they dislike the idea of higher-priced Chilean copper for that reason.
The shortage here isn't as critical as it was. American production is due to increase over the next two years. And maybe one of these days the United States, and Chile, will suddenly find a shortage has become a surplus—just as recently happened to lead and zinc.

Chances of Business Getting Out From Under Government Controls Look Better

By SAM DAWSON
New York (AP)—The chance of business getting out from under government controls look much brighter today.
Homes may be the next thing to be freed of the present strict credit curbs.
Most building materials also may be set free before long.
Steel and aluminum decontrol plans are being studied in Washington.
Price decontrol of lead, lead products and lead scrap is being urgently requested by the Lead Industries Association, which points out that lead is now selling below the ceiling.
Auto makers hope to be free of production curbs before the year is much older.
Sentiment for dismantling wage and price controls is growing fast, the Business Advisory Council of the Commerce Department tells Secretary Sawyer. And former Defense Mobilizer Wilson says most businessmen look upon the controls law as a dead duck.
Already a number of commodities and businesses have been freed of controls. And last week the Federal Reserve Board took the curbs off installment buying and bank loans.
Chief credit control still on the books is that over home mortgages. Builders are urging relaxation, saying that the high down

payment requirements on houses in the medium and upper price brackets is holding down sales. The Federal Reserve Board now requires a one-half cash payment on homes costing more than \$24,500.
Some builders say that price resistance is likely to hold sales of new homes below the million unit mark this year. Lower down-payment requirements in all price brackets would help builders find buyers. The government first wanted housing starts held to 800,000 this year, to save scarce building materials and to curb the threat of inflation.
But builders have thought they could find materials for a million new homes, and they expect material controls to be eased. Now their greatest fear is that would-be home owners can't raise the cash needed.

The U. S. federal government limits the power of radio stations to 50,000 watts.

More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

Metzger-Wright Co. Launches Sales Event

Nevin C. Wolfe, above, managing director of Metzger-Wright's early this afternoon, stated to a Times-Mirror representative, that never in the time he has been managing director of Metzger-Wright's, has he seen the response so great to a sales event as it has been to this, its 56th Anniversary Sale. Not only were there customers from Warren, but many were noted from the surrounding communities, coming to Warren, especially to help Metzger-Wright's celebrate its birthday. Mr. Wolfe also said that he appreciated the many well wishers who personally congratulated Metzger-Wright's on its achievement of 56 years of progress in Warren. Many cakes were given away, the names of the persons receiving them, will be published in Friday's Times-Mirror.
Mr. Wolfe came to Warren in January 1950, as managing director of Metzger-Wright's. A graduate of the University of Pittsburgh, a native of Greensburg, Mr. Wolfe came to the Warren store from the assistant manager-ship of the Troutman Store in Indiana, Pa., one of the Allied Stores of which Metzger-Wright's is a part.

BARNES

Barnes—Mrs. George Conquer entertained the Garden Club at her home.
Mrs. Archie F. Brown and sons, Charles and Dennis, of North Warren, were guests at the home of Mr. and Mrs. Richard Curtin, Monday.
The local W. S. C. S. meets in the Barnes Methodist church on Thursday, May 15, for its regular monthly business and lesson. This month, there will be the annual election of officers.
Latest word from Mr. and Mrs. Archie S. Brown of Sheffield who are enjoying a trip to California, came from Tucson, Ariz., where they had been visiting Otto Barnes for a couple of days.
The news from B. S. Cook, who has been very ill in Washington, D. C., is encouraging. He is now able to be up and about.
Mrs. Raymond Billstone of Clarendon, who was accompanied by her mother and grandmother, Mrs. W. T. Hover and Mrs. W. D. Barnes, motored to Spartansburg, Pa., Saturday morning, where Mrs. Barnes spent the day visiting her sister, Mrs. Della Goldin. The others went on to Oil City, where they spent the day visiting at the home of Mr. and Mrs. Bertrand R. Hover and family.
Mrs. Linus Gillespie and son, Dale, of Ludlow, spent Tuesday as guests of Mr. and Mrs. Frank Rudolph.
Mrs. Grace Confer, Mrs. R. J. Hover, Mrs. Clifford Snyder, Mrs. Harriet Whitton and Mrs. W. T. Hover of Barnes, and Mrs. Amos Thomas of Wellbank, were in attendance at the county meeting of the extension service held at North Warren, Wednesday. Having a part in the program were Mrs. Confer and Mrs. B. J. Hover, who

Russians Appear as Heroes, Allies as Villains in German Unity Proposals But Exchange of Coy Notes Continues

By JAMES MARLOW
Washington (AP)—Fires are building in Germany. Here's how they were started:

The Big Four—United States, Russia, Britain, France—divided Germany into four occupation zones at war's end. The struggle for Germany between Russia and the West began.

Years passed with no hope for a peace treaty with united Germany. The Russians set up a puppet government. Communist-controlled, in East Germany. The Western Allies let West Germans have their own government, headed by Chancellor Konrad Adenauer.

The occupying forces stayed but the Allies allowed Adenauer's government much freedom. The Western Allies formed the Atlantic Defense Pact. This meant building an army.

Since this would be less than an army without the West Germans, they were offered a deal:

1. A contractual agreement—fancy name for what in effect would be a peace treaty with West Germany, linking it with the West. Adenauer was for it.

2. West Germany was asked to contribute troops for the European army. This was not the same as letting Germany rearm as it pleased. Its troops would be part of the European army, not a new German war machine.

The Russians, instead of pulling all Germany into the Soviet orbit, were losing West Germany to the Allies. So they offered a deal March 10:

1. Germany should be unified.
2. The Big Four should finally sign that long-delayed peace treaty.
3. Germans should be allowed to rearm and make their own weapons.
4. New, unified Germany couldn't make any military alliances.

The purpose was clear: By appealing to the old German Nationalism and giving the West Germans a vision of a new Germany,

the Russians hoped to split them from the West and wreck the European army.

There were gimmicks in this. Once the Allies were out of the new Germany, German Communists could work to take over the government from within.

But the Russian proposal put the Allies on the spot. The Russians would look like heroes to the Germans, the Allies like villains, if the latter turned down the tricky Russian offer cold. The Allies said they were interested, sent the Russians a note, objecting to some of the Russian notions, offering some of their own. The Russians answered back. Last night the Allies sent the latest note in the series. Nothing's happened yet, nothing may. But here briefly is what the two sides propose:

1. Before the Russian idea of unifying all Germany can be carried out, the Allies insist, all Germans must be able to vote for a new government in free elections. They don't want Communist-ignited elections in East Germany.

But how could anyone be sure the elections were free? The Russians suggested the Big Four handle that one. More of that endless bucking between the West and Russia? The Allies said no thanks, they want an impartial commission to take care of the free election problem.

2. The Russians said the Big Four should go to work at once on a peace treaty for a unified Germany, but the Allies said: Whoa, no treaty talks start before a new and united German government can take part.

3. The Allies took a dim view of Russia's plan to let all Germany rearm.

4. The Allies rejected the Russian suggestion that a united Germany be forbidden to make military alliances.

Minnesota and the two Dakotas produce the greater part of the flax grown in the United States.

Delegates From Three States to Attend Sunday School Meeting This Weekend

Delegates from Covenant churches of western Pennsylvania, New York and Ohio will gather at Bethlehem Covenant church beginning Friday evening and continuing over Sunday for the Middle East Sunday School Union's 53rd annual conference.

The Rev. Raymond C. Hess, Cleveland, O., who is president of the Union, will preside at the sessions, which will have as a general theme "Everybody Ought to Know."

The conference opens with a public service at 8:00 p. m. Friday, when the Rev. Edwin S. Johnson, pastor of Grace Chapel, Haverstown, will deliver the keynote address, using as his subject: "Re-thinking the Sunday School." Rev. Johnson was the speaker at Wheaton College during its wonderful experience of "revival." It is indeed a real opportunity for Warren to have this visit of one of the country's leading pastor-evangelists. Bethlehem church is anxious to share his ministry with the public, and therefore extends a cordial welcome to all to attend these public services.

The conference will continue with a session Saturday at 10:30 a. m., at which time Rev. Johnson will speak on the topic: "Knowing and Doing: The Secret of Sunday School Success."

The business session will be held at 1:30 p. m. Saturday, under the

direction of the Rev. Hess. There will be reports on the work of the Union during the past year, and the annual election of officers.

Another public service will be held Saturday at 7:30 p. m. at which time Pastor Johnson will have as his message: "When Youth Knows Christ." Two films on the effective work of the Sunday school, "Stars In Your Crown" and "God's Acre of Diamonds", will be shown at the close of the address. Again a cordial invitation is extended to the public to attend.

Sunday services will conclude the conference sessions. At the 10

PASTOR EDWIN JOHNSON

a. m. Sunday school hour, Mrs. Herman Davidson, of the Johnsonburg-Wilcox Covenant churches, will present a flannelgraph lesson to members of the Sunday school and delegates. At the 11 a. m. worship service Rev. Edwin S. Johnson will bring his closing message on the theme: "Knowing Christ In the Home."

At 3:30 p. m. Sunday, a great service will be held, a Mission Meadow's "Fifteen and Five Year Anniversary Rally", commemorating 15 years of summer camp activity for the youth of the Covenant churches of this area and the fifth anniversary of the Mission Meadow's Camp at Dewittville, N. Y., on Lake Chautauqua. Campers will participate in the program, and the camp director, Rev. Bertil Lovan of Bradford, will be the guest speaker. All past campers, as well as all children who are prospective campers, will join in this memorable service.

Rev. David Carlson, pastor of the host church, announces the public is cordially invited to attend and share in the blessings of these services.

Know Your State

Prepared for the Times-Mirror by the State Planning Board, Department of Commerce.

Defense plant expansion in Pennsylvania both in actual construction already accomplished and in projects approved by the Defense Production Administration, continues to exceed that in any other state in our nation. The latest official tabulation of projects for the construction of defense plants and plant facilities brings the total up to December 31, 1951. As of that date, the Defense Production Administration has scheduled a total of \$1,307,823,000 as the cost of defense plant expansion approved for accelerated tax write-off in the Commonwealth of Pennsylvania. This is between one-seventh and one-eighth of the total for the entire nation. It is approximately twice as great a total as that of three Pacific states, Washington, Oregon and California combined. It is 91 million dollars greater than the second state, Texas, and 482 million dollars greater than the third state, Ohio.

Pennsylvania's leadership in expansion of its industrial capacity for the national defense is also shown in the amount of defense

plant construction which has been accomplished since the outbreak of the Korean war. The total to date of actual construction of approved defense plant expansion and facilities in the state was \$555,437,000 to the first of January of this year. This exceeds the total of achieved construction in any other state by more than 119 million dollars. This total does not include the seventy-seven million of approved material allocations for improvement of the state's coal mines or the special allocations for the construction of coke and coal chemical plants, in both of which categories Pennsylvania also exceeds all other states.

According to the State Planning Board of the Pennsylvania Department of Commerce, further grants of Certificates of Necessity to Pennsylvania since the first of January of this year have raised the state's total of approved projects to approximately one and one-half billion dollars.

Low Town in Kansas Looks Forward With Worried Pride to Return of "Ike"

By HAL BOYLE
Abilene, Kas. (P)—This celebrated old cow town is looking forward with somewhat worried pride to the return next month of one of the local boys who made good.

He used to work at the creamery here, where other employees taught him how to shoot craps. There wasn't much of a crowd at the railroad station to see him when he went East, years ago. But Abilene, a town of about 10,000 population, is expecting 50,000 to 100,000 visitors to help welcome back its favorite son—Gen. Dwight D. Eisenhower.

Residents here aren't sure whether the event will tear the town apart. But it is no secret that most hope it will springboard "Ike" into a Republican presidential nomination. The biggest disaster that could happen hereabouts right now would be for a baby boy to be born with an "I Like Tatt" tattoo in his tummy.

During the two-day homecoming celebration starting June 4, Gen. Eisenhower will lay the cornerstone for a museum to house his war trophies, address a throng in Eisenhower Park, give a press conference and review a marching band.

moth parade containing 36 floats symbolizing his career.

"Ike" definitely has replaced Wild Bill Hickok as the number one hero of Abilene. Hickok was the peace officer who brought law and order to the town in the wild and woolly days when it was America's top cattle shipping center and its saloons outnumbered its business houses.

Summarizing home town sentiment for Eisenhower, Charles M. Harger, 89-year-old publisher of the Abilene Reflector-Chronicle, said:

"If you want to know how the people here feel about Ike, go out on the street and call him a bad name—and see how quick something happens to you."

The mess of most visitors here is Ike's old family home. The Eisenhower boys turned it over to the Eisenhower Foundation after the death of their mother in 1946.

It has been kept just as she left it. Her dust cap still hangs from a rocking chair in the room in which she died. On the wall of the second floor bedroom where Eisenhower slept as a boy is hung the old-fashioned motto: "Thy Will Be Done."

J. Earl Endacott, executive director of the Eisenhower Foundation, said 100,000 people had visited the home in recent years. They came from every state of the union and 76 foreign countries.

"One of them," remarked Endacott, "was an ex-cannibal from a south sea island."

Just how he became an Ike fan nobody knows. But in Abilene today it's enough to be an Eisenhower supporter. You don't have to explain your past.

INDIAN BATTLE

Northeastern Nebraska was the site of one of the greatest Indian battles ever fought. About 3000 Omaha and Ponca Indians were killed during a three-day battle with the Sioux over a hunting ground.

First commercial use of rayon was in brushes for toothbrushes and hairbrushes.

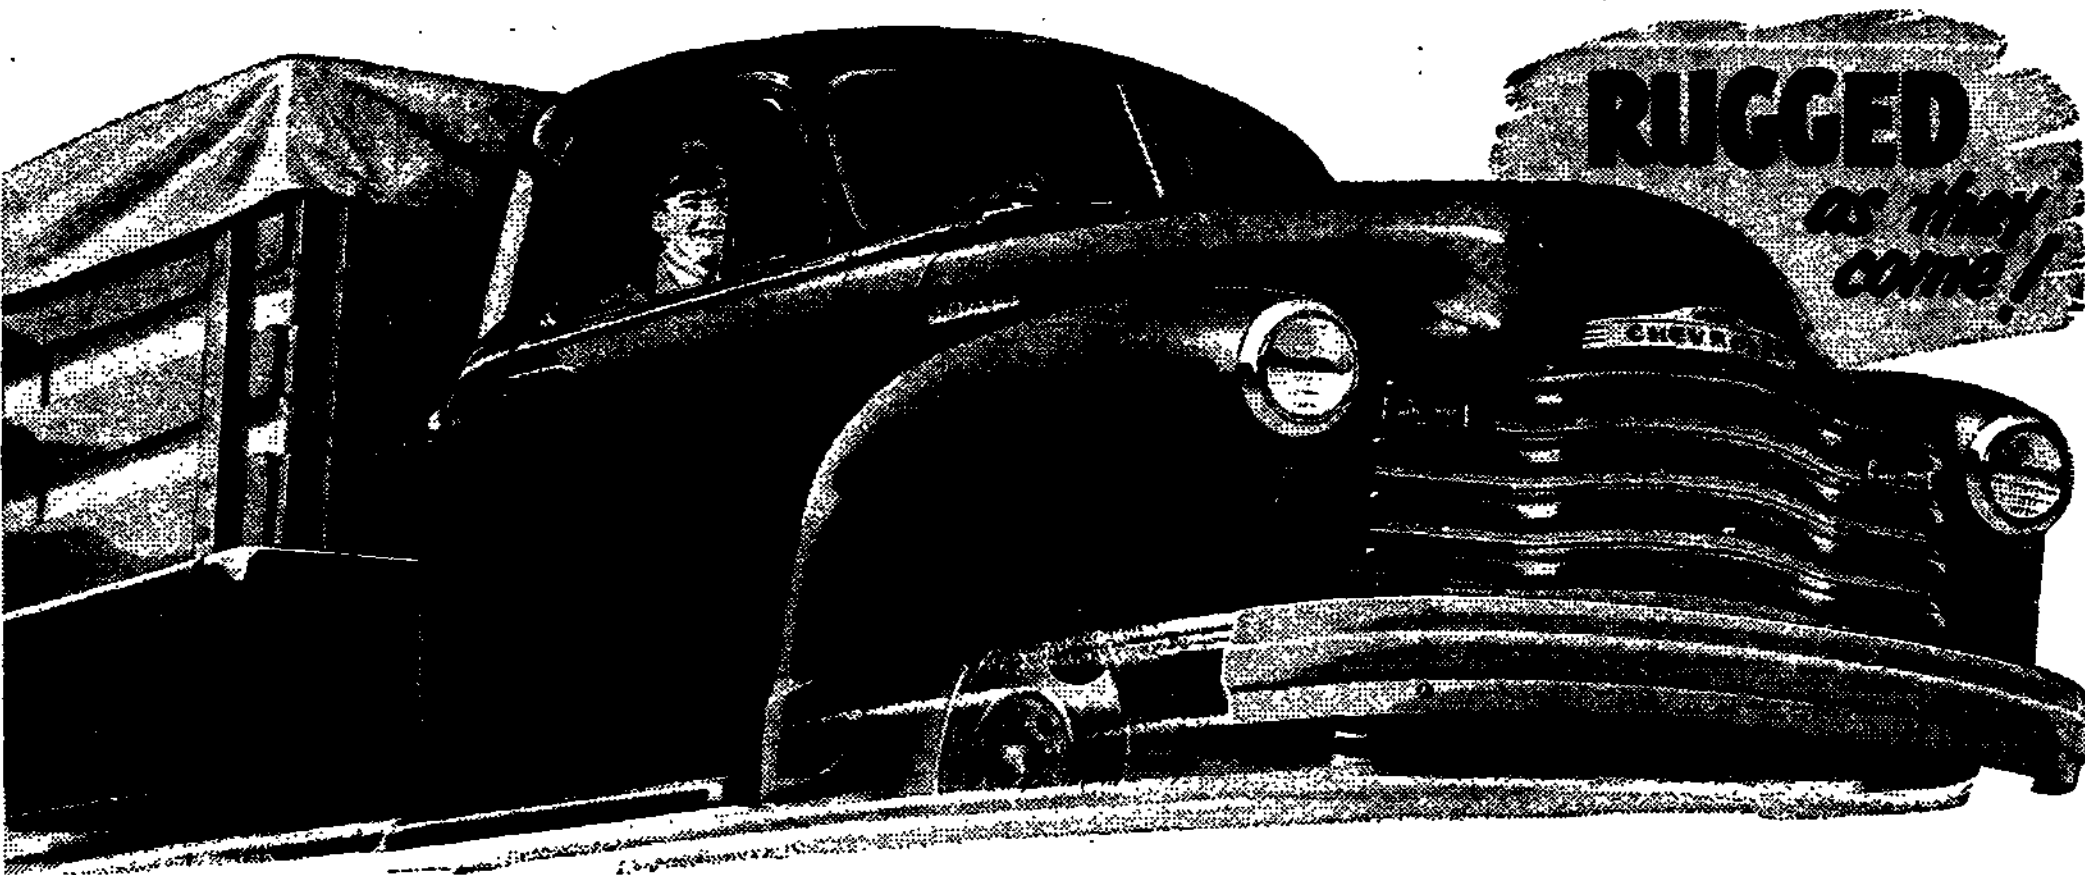

ST. MARYS, SPEAKER: William Granquist, chairman, Pennsylvania - New York Western Border Section, American Chemical Society, announced today that the next meeting will be held May 22, at the R. of C. Hall in St. Marys, at 6:30 p. m. Following dinner, Dr. E. R. Calvey, above, vice-chairman, Department of Chemistry, Ohio State University, will speak on the topic "Some Relationships of Chemistry to Archeology."

The talk will concern chiefly the work that was done in the laboratory at the site of the Agora excavations, Athens, Greece, but will also contain other references to chemical analysis and study of ancient materials. Most of the work has been done on the composition of metals and alloys, although some study has been made of pottery, glasses, glazes, paints, pigments, and even specimens of textiles. Another phase of the work is the cleaning and restoration of ancient objects by chemical means. Reservations for the dinner must be made with John Migliarese, Pure Carbon Co., St. Marys, on or before Monday, May 19. Anyone interested may attend whether or not they are members of the American Chemical Society.

WHO WAS FIRST?

It is not definitely known who first propelled a boat by steam power. To Robert Fulton belongs the distinction of having built the first successful steamboat, The Clermont, in 1807.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Stack up what you get for what you pay... and join the nation's largest group of truck users by choosing Chevrolet

By far the biggest number of truck users today are Chevrolet owners... and for good hard-headed reasons. Because what they're after in a truck can be set down about like this:

- 1) It's got to be low in cost. Chevrolet trucks have the lowest list prices.
- 2) Upkeep and operating costs must be low. Chevrolet trucks work for rock-bottom "wages" on fuel and maintenance.
- 3) How well the truck does the job is all-important. Chevrolet trucks are factory-matched to the job.
- 4) The truck must be rugged, long lasting. Chevrolet trucks traditionally bring more at trade-in, for what they cost, than any other truck.

Come in and let's see how a Chevrolet truck can save money in your business.

Fact No. 1

Save money on purchase price:

Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less... and brings you great truck features you won't find in many trucks costing much more.

Fact No. 2

Save money on operating costs:

Truck users everywhere have proved to themselves that Chevrolet costs less to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas. Special 4-way engine lubrication reduces wear, keeps oil costs low.

Fact No. 3

Save money on job efficiency:

You don't waste money by buying "too much truck"—you don't risk work interruption or slow-downs by buying "too little truck." Frame, axles, springs, body, brakes, and power are part of a well-balanced team that does the job at lowest cost.

Fact No. 4

Save money on low depreciation:

Records show that Chevrolet trucks traditionally bring more money at resale or trade-in time than any other make which costs about the same new. Here is further evidence that Chevrolet is the best truck buy—and that's why more truck users buy them!

Circuit Is Being Set Up on Kansas Plains For Ike's Broadcast

New York (P)—Preparing for the telecast of the scheduled June 4 address of Gen. Dwight D. Eisenhower, a special five-station micro-wave radio relay circuit is being set up on the Kansas plains. This is the only way his home town of Abilene can be linked to the coast-to-coast TV network.

The relay is being installed by A. T. & T. on order of the TV networks in the intermediate units placed at the highest available points. The engineers report that in at least one instance the roof of a grain elevator is to be used.

The microwave circuit is to run from Abilene approximately 135 miles to the nearest network point, Kansas City, rather than direct to Omaha. A coaxial cable which connects the two cities, 212 miles apart, is being equipped to make possible the sending of signals both ways. Kansas City at present is receiving only.

The networks have listed the telecast for 7 p. m. EDT and plan to cancel all regular scheduled programs for half an hour. The radio chains expect to carry the talk by delayed recording at night.

Eggs must be cooled as soon as possible after laying to save their quality.

Warren Business College Is Shut Out by Merchants, 5 to 0; Elks Beat Youngsville, 2 to 1

Dick Baker pitched no-hit ball until the last inning for the Warren Merchants, last night, when they shut out the Warren Business College 5-0 at War Memorial Field, and to round out the opening of the Sunset Baseball League the Warren Elks stole a 2-1 victory from the Youngsville Merchants at the State Hospital diamond.

Smashing WBS moundsman Carl Falvo for eight hits, the Merchants out four runs across the plate in the first inning, adding their fifth in the second frame.

Don Sharp and Jack Baker each slammed out two hits to lead the Merchants' batting, while Bill Massa was credited with the only double. Nick Creola was responsible for the no-hit spoiler when he singled in the top of the seventh.

Holding the Youngsville Merchants to two hits, Kenny Thompson went all the way for the Elks and smacked out a double and single. Bob Foley also doubled for the winners.

As the Warren Merchants, the Elks picked up their winning runs in the bottom of the first, while Youngsville came back in the second with one to end the scoring.

Next Monday Youngsville plays host to the Business School at Wilder Field and the Elks are the home team for the Merchants at State Hospital.

FIGHTS LAST NIGHT
By The Associated Press
Los Angeles—Lauro Salas, 151, Monterrey, Mexico, outpointed Jimmy Carter, 134, New York, 15 for world's lightweight title.

Miami Beach, Fla. — Bobby Dykes, 154, Miami, stopped Nick Moran, 152, Mexico City, 5.

SCHOOLBOYS—Schoolboy Rowe takes notes on high school baseball stars while scouting games in the Detroit area. The former Tiger hurling ace cannot speak to the athletes, can only report to Detroit brass what he sees. (NEA)

Bell's Homer Fails To Win for Pirates

Boston (P)—Gus Bell returned to the Pittsburgh Pirates yesterday and hit a 10th inning home run but it wasn't good enough as the Boston Braves won 4-3. Bell had been optioned to the minors.

The winning blow in the bottom of the 10th was a bases-loaded single by Pete Whisenant. George Crowe, a punch-hitter, tied the game with a homer.

The loss was charged to Forest Main, who worked the last two and a third innigs. Ralph Kiner came out of his slump to get a double and a single in five trips.

Labor Day is celebrated in Canada just as it is in the United States.

Big League Clubs Pare to the Limit

New York (P)—A score of major leaguers are on their way to various minor league baseball clubs today hopeful that they'll be back in the big time before another season rolls around.

Twenty-one players were chopped from major league teams yesterday as the clubs pared their rosters to the legal limit called for by baseball law. The deadline was midnight and the St. Louis Browns were the last to make it.

Washington, Cincinnati, Chicago, White Sox and Philadelphia Athletics made their cuts before the final day.

Maglie Upsets The Reds for His Sixth Straight Triumph

By JACK HAND
AP Sports Writer
Sal (The Barber) Maglie is shoving National League hitters so close the boys are objecting to the lather.

Cincinnati did its best to upset the New York Giants ace yesterday with repeated demands to see the ball. The intimation was that Maglie might be sneaking in a "splitter." The ump's could find nothing wrong.

Maglie was so upset he cooled off the Reds with six hits, 8-3, for his sixth straight victory.

Gerry Staley, beaten only by Maglie in compiling a 6-1 record for St. Louis, showed Brooklyn another game behind the Giants with a steady six-hitter for a 5-1 victory. Solly Henus was the big hitter for the Cards, hammering home three runs with a home run and triple.

With Granny Hamner and Willie Jones doing the heavy bombing, Russ Meyer finally dodged the hard luck that trailed him in four previous games to lift the Phillies over Chicago, 9-2.

Pete Whisenant's single with the bases loaded, juggled by shortstop George Strickland just long enough to let Jack Daniels score, gave the Boston Braves a 10th inning 4-3 edge over Pittsburgh. The Pirates scored one in the 10th but pinch-hitter George Crowe tied it with a homer and Whisenant won it.

Hank Bauer and Johnny Sain led the New York Yankees to a 5-3 win over Cleveland.
The Boston Red Sox lost their sixth straight on the road, 6-3, at Chicago.

Newly wed Vic Wertz rejoined the Detroit Tigers and blasted a tie-breaking home run off Washington's Sid Hudson in the eighth for a 3-2 win.

The St. Louis Browns snapped out of a batting slump to rack up four Philadelphia pitchers with a 16-hit attack to win, 12-7.

Pony Teams Busy Following Rains

By The Associated Press
Two PONY League pitchers stood out last night as the Class D loop resumed play after two nights of adjournments caused by rain and wet grounds.

Gene Pami, making his first start on the mound for Hamilton's Cardinals, shut out Wellsville with four hits as the Red Birds won, 8-0. Jim Coates of Olean tossed a two-hit, one-run game at Batavia. The score was 11 to 1 as Olean batters pounded out 15 hits.

Jamestown's falcons piled up six runs in the fourth inning to beat Corning, 7 to 5. Hornell at Bradford was postponed.

Crucial Series Is Facing Falcons On Jamestown Field

Jamestown (Special)—Jamestown's Falcons move into their home park for the most crucial series of the young PONY League season this weekend.

The Falcons, who set a record for Jamestown teams by winning their five opening contests but are now in third place in the tightly bunched first division, play league-leading Hornell and Hamilton during the five-game Municipal Stadium stand. Hamilton is currently holding down third spot.

Jamestown plays Hornell Friday and Saturday in night contests starting at 8, and opens a three-game series with the Cardinals Sunday at 3 p. m. Hamilton remains in Jamestown for night games Monday and Tuesday.

The Falcons, competing in their 14th PONY campaign, are shooting for their fifth flag. The club tied Olean for the pennant last year but lost the one-game playoff contest. The Falcons have been out of the first division only twice during their long tenure in the circuit.

Colorful Tony Lupien, former Philadelphia Phil, Boston Red Sox and Chicago White Sox first baseman, is again serving as playing manager of the Jamestown team.

Carter Loses His Lightweight Crown On Split Decision

Los Angeles (P)—New York's Jimmy Carter lost the lightweight championship last night to Lauro Salas of Monterrey, Mexico.

Carter, 28, captured the crown with a surprising 14th-round knockout over the Williams last May 25. He dropped it just as unexpectedly to his 24-year-old underdog rival on a 15-round decision.

The decision was a split one, and many boxing writers disagreed with the verdict. But the fact remained today—the new champion is Salas, an overstuffed featherweight, a youngster who like Carter not too long ago was getting nowhere in boxing until he was ushered into the title picture.

Salas is the first native Mexican to win an undisputed world championship.

Promoter Cal Eaton promptly began efforts for a rematch as provided in the fighters' contracts in the event of a Salas upset.

Most of the 15 rounds were packed with action, but there were no knockdowns.

INFLATION HITS
New York (P)—Has inflation hit horse racing? Are financial opportunities for horses improving? Well, here's a comparison of the records and earnings of two great race mares, Pan Zareta and Bewitch. In the years 1912 through 1917 Pan Zareta started 151 times, won 76 races and earned a total of \$39,082. From 1947 through 1951 Bewitch started in 55 races, won 20 and earned a total of \$462,605, retiring as the richest race-mare in turf history.

Carter Hill Well Has Huge Outflow

Carry—A charge of nitroglycerine dropped yesterday afternoon into the latest well of the Pennsylvania Gas Company on Carter Hill north of the city sent the daily outflow there to 700,000 cubic feet, it was learned.

While the production is not as great as the last two wells which were brought in with a flow of nearly a million cubic feet daily, an official of the PGC today indicated the utility is satisfied that the well will be a profitable one.

Another indication was the disclosure that the company plans to put down another well in that district. While a site has not been selected yet, it is expected to pick it out within the next few days and start drilling operations as rapidly as the rig can be dismantled and moved to the new spot.

Since the firm has been placing its new drilling locations in a southwesterly direction from the first successful hole, it is anticipated that the new drilling will continue in that direction.

The new well, on which the gas flow was hit at 4,511 feet, will be capped off for the summer months and the output turned into the lines of the utility this fall when colder weather puts an additional fuel load on the company.

Experiments are being made with paper from bamboo.

Decrease Is Noted In Violations Of Game Laws in State

In 1951, prosecutions against persons who violated Pennsylvania's game laws totaled 4527. Fine monies collected for these infractions and deposited in the game fund aggregated \$146,448.66.

In 1950, there were 4676 prosecutions for game law violations in the state, for which \$149,258.16 was paid in penalties.

A comparison of game law violations and penalties paid in the principal hunting months of the last two years follows:
In November, 1950, there were 1735 prosecutions with a total of \$45,587.50 collected in penalties; November, 1951, there were 1353 prosecutions with \$36,986 penalties collected.

In December, 1950, the prosecutions were 910 and \$37,564.31 in penalties collected as compared to 1,510 prosecutions in December, 1951, and \$53,646.50 fines paid.

Game authorities credit the decrease in game cases and fines collected in November, 1951, as against those of the same month in 1950 to an intensification of effort against willful or notorious violations of a major nature.

A Game Commission official says the reason for the increase in cases and penalties paid in December, 1951, over December, 1950, was a stepped-up program aimed at the wanton or indiscriminate killing of deer, with which always goes the reckless, dangerous type of shooting that authorities are determined to reduce as much as possible in the interest of human safety.

It is notable that in the 1951 deer seasons more hunters than ever before were apprehended for killing or attempting to kill a second deer, which is contrary to law.

Game Commission records show that in the deer seasons of 1951 a greater number of hunters reported themselves for having killed illegal deer than in any previous year. Those charged with law enforcement believe this is attributable partly to better sportsmanship on the part of many hunters. It is probably coupled, also, with an increasing respect for the abilities of the state's well trained game protectors, who strive tirelessly to preserve the hunting sport for honest gunners.
